

Adrift: Life in Transit

by W. E. Gutman

Book Description

ADRIFT reads like an autobiographical time capsule, a treasure trove of personal recollections, historical events and candid, often caustic ruminations on the human condition, the press and America. A seasoned journalist, the author challenges preconceived notions and casts a cunning, often savage eye at cherished beliefs and conventions as he himself struggles to find his “place” in an ill-fitting world.

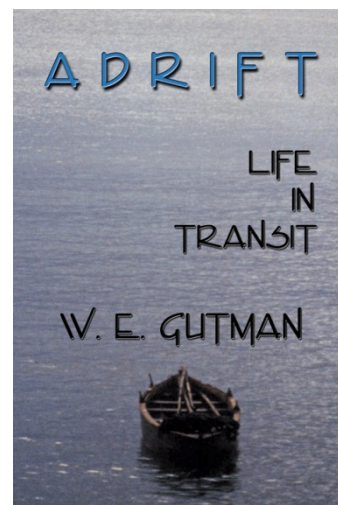

About the Author
