

Healing After Dark

Pioneering Compassionate Medicine at the Boston Evening Clinic

by Morris A. Cohen, M.D.

with contributions and editing by Richard Shain Cohen

Book Description

In 1927 in the field of health care an unusual event occurred. Morris Aaron Cohen, M.D. founded the Boston Evening Clinic, an unique and never before conceived facility for the treatment of the indigent and low-wage earners who could not afford to lose a day's pay. It was an endeavor that achieved success against overwhelming odds: the objections of the Massachusetts Medical Society, major hospitals, banks, and businesses. Often denounced as unethical or even called a "liar" by an outstanding member of the Society who believed Morris Cohen was taking money from the poor and placing it in his own pockets, the besieged man never surrendered. None of the criticisms was justified and all were proved false. Why? Because Dr. Morris Cohen, as his memoir attests, persisted; because he believed there were many among us who required the kind of care he believed in. Eventually, this humane man who believed in the dignity of human beings, who recognized the needs of people unable to pay for medical care during the day, rose in stature with his clinic until eventual recognition by Presidents of the United States and persons, both medical and lay, within the United States and beyond.

About the Author

Richard Shain Cohen of Cape Elizabeth, Maine, is originally from Boston. He retired from the University of Maine at Presque Isle after serving as Vice President of Academic Affairs and Professor of English. He holds B.S., M.A., and Ph.D. degrees. He served as editor of the journal *Husson Review* and was principal participant in a National Endowment for the Arts Grant for "Images of Aroostook" that was exhibited throughout the State of Maine.

His own publications, in addition to this book include: *The Forgotten Longfellow: Man in the Shadows* (2010), *Only God Can Make a Tree*, poetry from himself and his brother, Alfred Robert Cohen; and the novels *Monday: End of the Week*, *Be Still, My Soul*, and *Petal on a Black Bough*. He also wrote chapters for *Aroostook: Land of Promise*, academic reviews, other articles, and – with the help of a Shell Grant – a monograph on Samuel Richardson that can be found in major library holdings.

Aside from the present book, in progress is a fourth novel.
