### Book Description

The loss of a pet through death is not the end but only the beginning. A special garden cared for by a loving angel awaits those creatures who pass over. There they play in peace and without fear, forever loved by this special being.

### About the Author

Nick L. Sacco started writing as a journalist for his high school paper in the small town of Cuba, Missouri. After graduation and a stint in the United States Marine Corps he continued as a contributing writer for newspaper and magazines plus worked as a radio disc jockey. Nick's writing would eventually go on an extended sabbatical while he worked as a police motorcycle officer in Kansas City, Missouri, retiring in 2004. Through his wife Alisa's work with Kansas City Siamese Rescue, Nick came into contact with hundreds of rescued cats and kittens. While no longer an animal rescue volunteer, Nick shares his home with a handful of beautiful cats and one overweight Cocker Spaniel, Buddy, who thinks he is a cat.
