

Legacy Phoenix and the Dark Star

by Gerald Pruett

Book Description

Legacy: Phoenix and the Dark Star is a continuation of the story from *Legacy: The Mark of Merlin*.

In Savannah, Georgia, on Halloween night, the benevolent sorceress Ellen Anderson learns from Andie Cornell (a fifteen-year-old medium) that she had drawn the attention of a sinister wizard from New Orleans who practices an elite type of magic—a type of magic that Ellen has never heard of before. As Ellen puts a plan into motion to defend herself, she meets several individuals who will stand with her when she faces the sinister wizard. Among Ellen’s new allies is the eighteen-year-old Seminole shaman and vampire hunter Winona (Winnie) Rivers.

Winona and her crew (Riley and Brad) had been sent to Savannah, Georgia to capture and execute two vampires. The two vampires don’t feed on humans though; however, Winona has never met a vampire that didn’t. When Winona’s group, Ellen’s group and the two vampires come face to face with one another, Ellen demands irrefutable proof that the two vampires are in fact feeding on humans before she will allow Winona’s group to execute them.

As a compromise, Winona agrees to let Ellen’s group cast the ‘Memory Talebearer’ spell—a spell that transfers memories from an individual to anyone within range of the spell—on the vampires, and so the two vampires were taken to a secluded location in order to do so. Once there, Winona shares her story about how she had become a vampire hunter.
