

Mirror, Mirror at 1600 D.C.

by Edward Galluzzi

Book Description

Under any circumstances, the role of the President of the United States is arduous and replete with challenges. The enduring patriarchy of presidents had ended with first woman elected to this high office in America. This pioneering leader is delighting her supporters and readily converting her critics when she is kidnapped suddenly. But by whom? And for what reason? The unfolding plot is a matter of survival...not only for personal survival, but also hanging in the balance is the endurance of the Presidency and the privilege of democracy in America. It will take a very special agent to expose the sinister plot. But whatever the costs, the President must be recovered...dead or alive.

Excerpt

"...Harrison was unaware of the passage of time as he awoke struggling to open his heavy eyelids. The starkness of his cell quickly brought to mind his circumstances. Harrison raised himself from the ground where he had slept. The cell was dimly lit as before denying Harrison clues as to the time of day or night. As he turned toward one of the adjacent cells, he was reminded of the coffin-like piece of furniture. Harrison walked toward the iron bars that formed a common wall between the two cells. He needed to view the contents of the "unoccupied" cell. Would he find the President's final resting place? Or were the contents empty and simply a cruel joke? For Harrison, the answer was in the adjacent cell and he was not..."
