

Moving Beyond the Christian Myth

The Next Step in Our Spiritual Evolution

by John W. Sloat
Former Presbyterian Minister

Book Description

Moving Beyond The Christian Myth takes the next step beyond Sloat's first book on spirituality, *A Handbook For Heretics*. He explores the roots of the Christian faith, tracing them back to their pagan origins in ancient religions. Then, one by one, he analyzes the essential beliefs of Christianity, showing how they cannot literally be true. The various chapters contend that:

Christianity is a religious myth
We don't need a savior
The Bible is not the Word of God
Jesus is not God
The church is more political than spiritual

The remainder of the book is filled with stories of mystical experiences which demonstrate how the spirit world is an integral part of our daily lives. These topics include: Out-of-Body Experiences, Visions, Past Life Recalls, After Death Communication, Angel Communication, Pre-Birth Experiences and Coincidence. Sloat argues that these stories reveal spiritual truths which are not part of the traditional teachings of religion. He asks the church to admit that its story is based on myth rather than literal truth, he urges the church to incorporate these experiences into its belief system, and he concludes by presenting a vision of a future in which people can worship God as the creator, not of a religion based on the fear of hell, but of a spiritual kingdom founded on love, light and hope. This book will be an inspiration to all those who are seeking something beyond the mythological teaching of the past.
