## Parallels Between Moses and JESUS

by Michael Beaumont

Reviewed by Reverend Dr. Emmarex Okhakhu

### Book Description

We take you on a journey of discovery that looks at Moses and Jesus through many facets, to develop a more complete picture of who they are and what they represent. We demonstrate that Moses of the Old Testament is an archetype or example of Jesus of the New Testament.

There has been, and always will be, a strong element of faith needed when it comes to a personal relationship with Jesus Christ. Hebrews 11:6 states, “Without faith it is impossible to please Him: for he that comes to God must believe that He is, and that He is a rewarder of them that diligently seek Him [KJV].”

This book provides you with knowledge and ideas that introduce you to and help strengthen your faith in Jesus Christ, the author of our salvation. We want to help you understand more fully why you believe and offer you opportunities for your faith to grow deeper. We do this by studying the lives of Moses and Jesus, and discovering literal and symbolic connections between these two men of the Bible.
