

Red Snow

by Sean Ryan Stuart

Book Description

Red Snow is a fast paced action adventure involving a former Army Special Forces officer turned CIA agent. His journey takes him all over the world as he fights rogue Russian SPETSNAZ forces in Afghanistan and later in the USA. His quest brings him in contact with fierce mujahidin warriors in their search for independence and at the same time, Jeremy Grant (our hero), relives the horrors of war in Vietnam. His mission continues after his CIA retirement due to severe injuries suffered in Afghanistan. His many treks take him throughout Afghanistan, Pakistan, Germany, France, Russia, and eventually back to San Francisco and his new job with the United States Customs Service.

His new job, as the Chief of Intelligence for the law enforcement division, leads him to a new conflict with his old arch-nemesis Oleg V. Kolkov, formerly of Afghanistan and now a major participant in Russian Organized Crime (ROC) in California. Continually betrayed and followed by his enemies throughout his travels, Jeremy must use his training and experience to defeat them. This exciting and sometimes romantic adventure will remind you of land based *Hunt for Red October*.
