

Shadow Lane Volume 4

The Chronicles of Random Point, Spanking, Sex, B&D and Anal Eroticism in a Small New England Village

by Eve Howard

Book Description

Ever since the 1950's, spanking has been practiced for the pleasure of adults in Random Point. The present era finds Hugo Sands at the center of its scene. Formerly a stern and imperious dom, his persistent love for Laura has all but civilized him. But instead of enchanting his favorite submissive, Hugos' sudden tameness has the opposite effect on Laura, who breaks every rule of their relationship to provoke him into reacting like the strict martinet she once knew and loved. Meanwhile, Ivy League brat Susan Ross selects Sherman Cooper as the proper dominant to provide her naughty friend Diana Stratton with the discipline she craves. Finally, all the young women of Random Point conspire to rescue a delightful submissive from a cruel master.

About the Author

In Random Point, everything is linked to spanking and this is true for the author of the Shadow Lane novels as well. Eve Howard has been writing and producing spanking erotica since the 1980's. Eve has written, directed and produced over 140 spanking videos. Female-friendly and designed to make people feel good, rather than guilty, about being into spanking, Eve suggests an irreverent alternative to the all or nothing B&D subculture portrayed in such beloved classics as *The Story of O*. Many spanking fans have discovered the real life spanking scene by following the same patterns of social networking as described in the Shadow Lane novels. And for almost twenty years, Eve's company Shadow Lane has been one of the primary social organs of the real life spanking scene. There are nine titles in the Shadow Lane series and Eve is currently working on Volume 10. She lives with her husband Tony Elka and their three cats in Las Vegas.
