

The Tooth Fairy's Mistake

by Linda Dawley

Book Description

Anything could happen when a curious child and a worn out fairy are forced to team up. How can they make it work?

Annabelle the Tooth Fairy has been hard at work for one hundred years and desperately needs help. She gets it from an unexpected source when Molly persuades Annabelle to take her to Fairyland. Here they discover Molly's own magic...

Advice from the Gnome of the Forest isn't as good as they expected it to be. In the end it is the Grand Fairy who decides what has to be done.

Unfortunately for Annabelle, it isn't easy dealing with Molly's all-too human habits. She has to learn patience and Molly has to learn to do what she's told!
