

The Serpent's Seed They're Among Us

by David Mathews

Book Description

Since the epoch failure of Adam in Eden, Mankind's journey has been fraught with peril. An adversary awaits our every step lurking in the shadows of tradition. This Enemy enjoys relative anonymity. The only viable, available instruction manual – The Bible – has been intentionally mistranslated, separated from the origins of the Hebrew language and thus, depriving those who would escape the clutches of this ravaging beast any semblance of victory. The mechanisms of Mainstream religion are culpable, our Pastors complicit, in the single greatest cover-up imaginable! Because of what amounts to as history's most scandalous lie – *Religion's traditional denial of the literal, physical existence of this Monster of destruction* – known forever as the Dragon, the infamous Serpent, first seen in Genesis' garden encounter – we are not prepared for what is coming: The Final introduction of: THE SERPENT'S SEED!

This Book will unravel the mystery, taking you on a mind-staggering ride as we delve into the language of Creation – Hebrew – we will pull back the cover, exposing that ancient Nemesis! You will be challenged; you will be stretched beyond the bounds of what many will call 'reason'. Yet, you will be given ample, proven Scriptural and extra-Biblical evidence that simply cannot be refuted, period! You have been chosen. Read this book. Educate yourself and prepare those you love so that you may defend yourselves from the final onslaught! Make no mistake!

They Exist – The Serpent's Seed: They're Among Us!
