

Trouble in Hollywood

A Cassidy Adventure Novel

by Kelly Rysten

Book Description

Hollywood star Sherri Champlain has a problem. On location in the Mojave Desert, a prankster has targeted her and she wants the pranks to stop. She could hire a posse of rent-a-cops, but there is only one person in the area that Sherri knows and trusts: reserve deputy and local tracker Cassidy Michaels. Sherri knows Cassidy is one smart cookie because she rescued Sherri when she was stranded in the mountains with a broken leg. Cassidy thinks the proposition sounds like a cushy job. All she has to do is babysit a movie star for five weeks. The pay is excellent. What could go wrong? Cassidy finds out as the pranks turn from harmless to hilarious to extremely hazardous, with Sherri and Cassidy in the cross-hairs.
