

# Trouble in Paradise

by R B Conroy

## Book Description

Once a young girl of much promise, thirty-something, Ali Brenneman, now finds herself broke, divorced, and looking for love. After a chance meeting with banking mogul, John Cullen, at a popular night spot in The Villages, Florida, her fortunes change. The sparks begin to fly almost immediately between the beautiful and well-spoken Ali and the fifty-five-year-old Cullen. With a sprawling home in The Villages and a fat bank account, Cullen is positioned to give Ali all the finer things in life. Unfortunately, local auto mechanic, Lex Higgins, Ali's ex, has different plans for Ali. Drug addicted and still very much in love with her, Higgins feels very threatened by the powerful Cullen. The resulting love triangle takes the reader on a riveting journey into the sensuous dreams of a beautiful young woman, the upper echelons of Villages society, the dark world of meth trafficking, and the violent fantasies of a very troubled young man.
