

What's Right? What's Wrong?

An Inspirational Guide to Finding the Answers

by Daniel Taddeo

Book Description

What's Right? What's Wrong? includes a special selection of essays and quotations that have appeared in one or more of Daniel Taddeo's previously published books or in newspaper columns. These concise and relevant topics will challenge you to become more involved in focusing on the true meaning of life and living. They were chosen with the following Scripture passage (Philippians 4:8) in mind: "Whatever things are TRUE, NOBLE, JUST, PURE, LOVELY, EXCELLENT, and PRAISEWORTHY." Timeless and challenging, they give encouragement and hope, providing perspective and solutions.

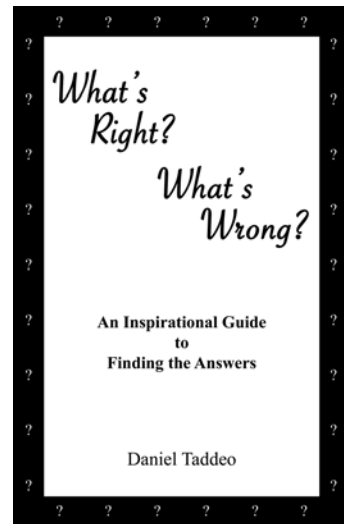

This "book of insightful reminders" will help you decide which choices to make and paths to follow, as you come to realize there are consequences to your actions, *right* or *wrong*. It is an invaluable resource for parents, students, teachers, clergy, writers, and public speakers.
